The league shall be played in accordance with AENA rules and we recommend all teams have a rule book in their team kit bag. If needed for reference AAN have one at the court.

We aim to promote netball in a safe and fun environment.

Players may be "borrowed" from other teams.

Points for games will be awarded as following: - Win 4pts, Draw - 2pts, Lose (Half score or more of winning team) - 1pt

Teams forfeiting games will lose 0-20.

Any game starting the third quarter to then be called off shall have that result stand.
(Before the third quarter shall be re-fixtured where possible).

All teams must provide their own first aid kit.

Kit isn't required but sensible sportswear must be worn.

Netball is a sport and can incur injuries - all players play at their own risk.

**For wet weather the team captain will be emailed and a message put on the fb page or ring
Helen Keet: 07745110119**

A £30 entry fee is required for each team with this entry form.

A £25 fee is chargeable per Team, per Week. This includes all umpires, scorers, court fees, fixture booklets and Trophies to Winners and Runners Up and Best and Fairest Player per Division. Payment can be made by cheque, bacs or cash before the game (postbox/envelopes provided at the court) or in a lump sum before the season starts.
